

Our brand new Montessori Nursery School in Ravenscourt Park

We are proud to launch Ravenscourt Park Montessori, a sister school to Rocks Lane Montessori in Turnham Green. In the heart of Ravenscourt Park, our nursery school brings together a world class Montessori team with a passion for outdoor education and forest schooling.

In our classroom, children are exploring each learning zone, including making music, creating art, exploring the senses, baking, learning about the seasons and experimenting with magnets and volcanoes. Doors open onto our garden, where children are enjoying forest school, outdoor art, gardening, gathering objects for our nature table, and playing with their friends.
